

SWORN STATEMENT OF ACCEPTANCE OF CONDITIONS AND REGULATIONS FOR TAKING PART IN DEPORVILLAGE TRANSPYR BACKROADS 2024

I,

with ID card/Passport..... **DECLARE:**

To know that DEPORVILLAGE TRANSPYR BACKROADS 2024 is a cycling trip in the format of a personal challenge, and where a long-distance bicycle journey is covered, being the main goal to reach the destination.

To know that DEPORVILLAGE TRANSPYR BACKROADS 2024 takes place coinciding with TRANSPYR GRAN RAID MTB to share services and experiences, but that they do not coincide in the format of the event.

Accept that the development of DEPORVILLAGE TRANSPYR BACKROADS 2024 may be subject to last-minute pronouncements from the competent authorities. This aspect, foreign to the organization, can alter the format of the initially planned event. For this reason, I accept that the organization acts accordingly to try to preserve the development of the event to fulfil its original purpose: the possibility of meeting the personal challenge of covering the crossing from coast to coast in seven days with the provision of services that do possible.

To know that DEPORVILLAGE TRANSPYR BACKROADS 2024 will be carried out observing the regulations and laws that apply to the road. Specifically, no more than fifty cyclists may ride together on public roads at the same time.

I know and accept that DEPORVILLAGE TRANSPYR BACKROADS 2024 is developed in a normal transited road with open traffic, priority is only available as a normal vehicle, and the circulation must be always complied, especially in relation to circulation with a bicycle. As such, I know that I must be always vigilant and attentive. The competent authorities can stop me during the course and, if the situation arises, fine me or file me for a hypothetical offense.

I accept that the Director of Security or the medical officer may remove me from the event, momentarily or totally, if my physical, mental or any health reason makes it advisable in his opinion, to guarantee my safety, or that of other users of the route.

Be aware that the practice of road cycling, and especially a challenge of the magnitude of DEPORVILLAGE TRANSPYR BACKROADS 2024 and the type of roads used, can be dangerous and cause serious situations for my health, including death, which is why I have taken the necessary medical measures to ensure that nothing prevents me from taking the start of the

aforementioned event, and I declare that I participate under my responsibility, accepting the risks, being able to act responsibly, adapting my pace based on safety and deciding when I have to get off the bike due to physical incapacity.

Also, be aware that no organizer is able to offer the absolute guarantee of safety of an itinerary because it is subject to uncontrollable external factors, which is why I must circulate with the same caution as on any other day, with the utmost attention and vigilance.

Be aware that registration for DEPORVILLAGE TRANSPYR BACKROADS 2024 includes sports insurance for accidents and civil liability that are mandatory by law, and it is my responsibility to know their coverage and freely decide whether to contract complementary insurance of a different nature.

Likewise, I undertake to follow the protocols established between the insurance company and the organization for everything related to health care and the use of accident and civil liability insurance included in the registration.

Give my consent for registration as a member of the Transpyr Cycling Club if administratively convenient or necessary.

Give my consent for the organizer to freely use audio-visual materials (photographs and images) recorded during the event in which my person can be recognized, therefore agreeing to its publication and dissemination.

To finish, I declare that I know and accept the conditions of participation and the participation regulations of DEPORVILLAGE TRANSPYR BACKROADS 2024, as well as any annex that may have been officially published up to the start date of the event.

With this, I also acknowledge that the organization cannot be held responsible for the personal effects of the participants -such as their GPS device, their official luggage bag or their bicycle- that for the execution of the benefits included in the registration or of contracted optional services must necessarily pass through your hands, and that it is my responsibility to properly insure my objects and belongings at all times during the development of DEPORVILLAGE TRANSPYR BACKROADS.
